

# QUANTO NATION

**Investing** in the quantum future

11/2019

# Who we are

---

We are a Paris based early stage venture capital fund investing worldwide in **Quantum Technology & Deep Physics**

**Deep  
Physics**

**Quantum  
Cybersecurity**

**Quantum  
Computing**

**Quantum  
Sensing**

**Charles Beigbeder**

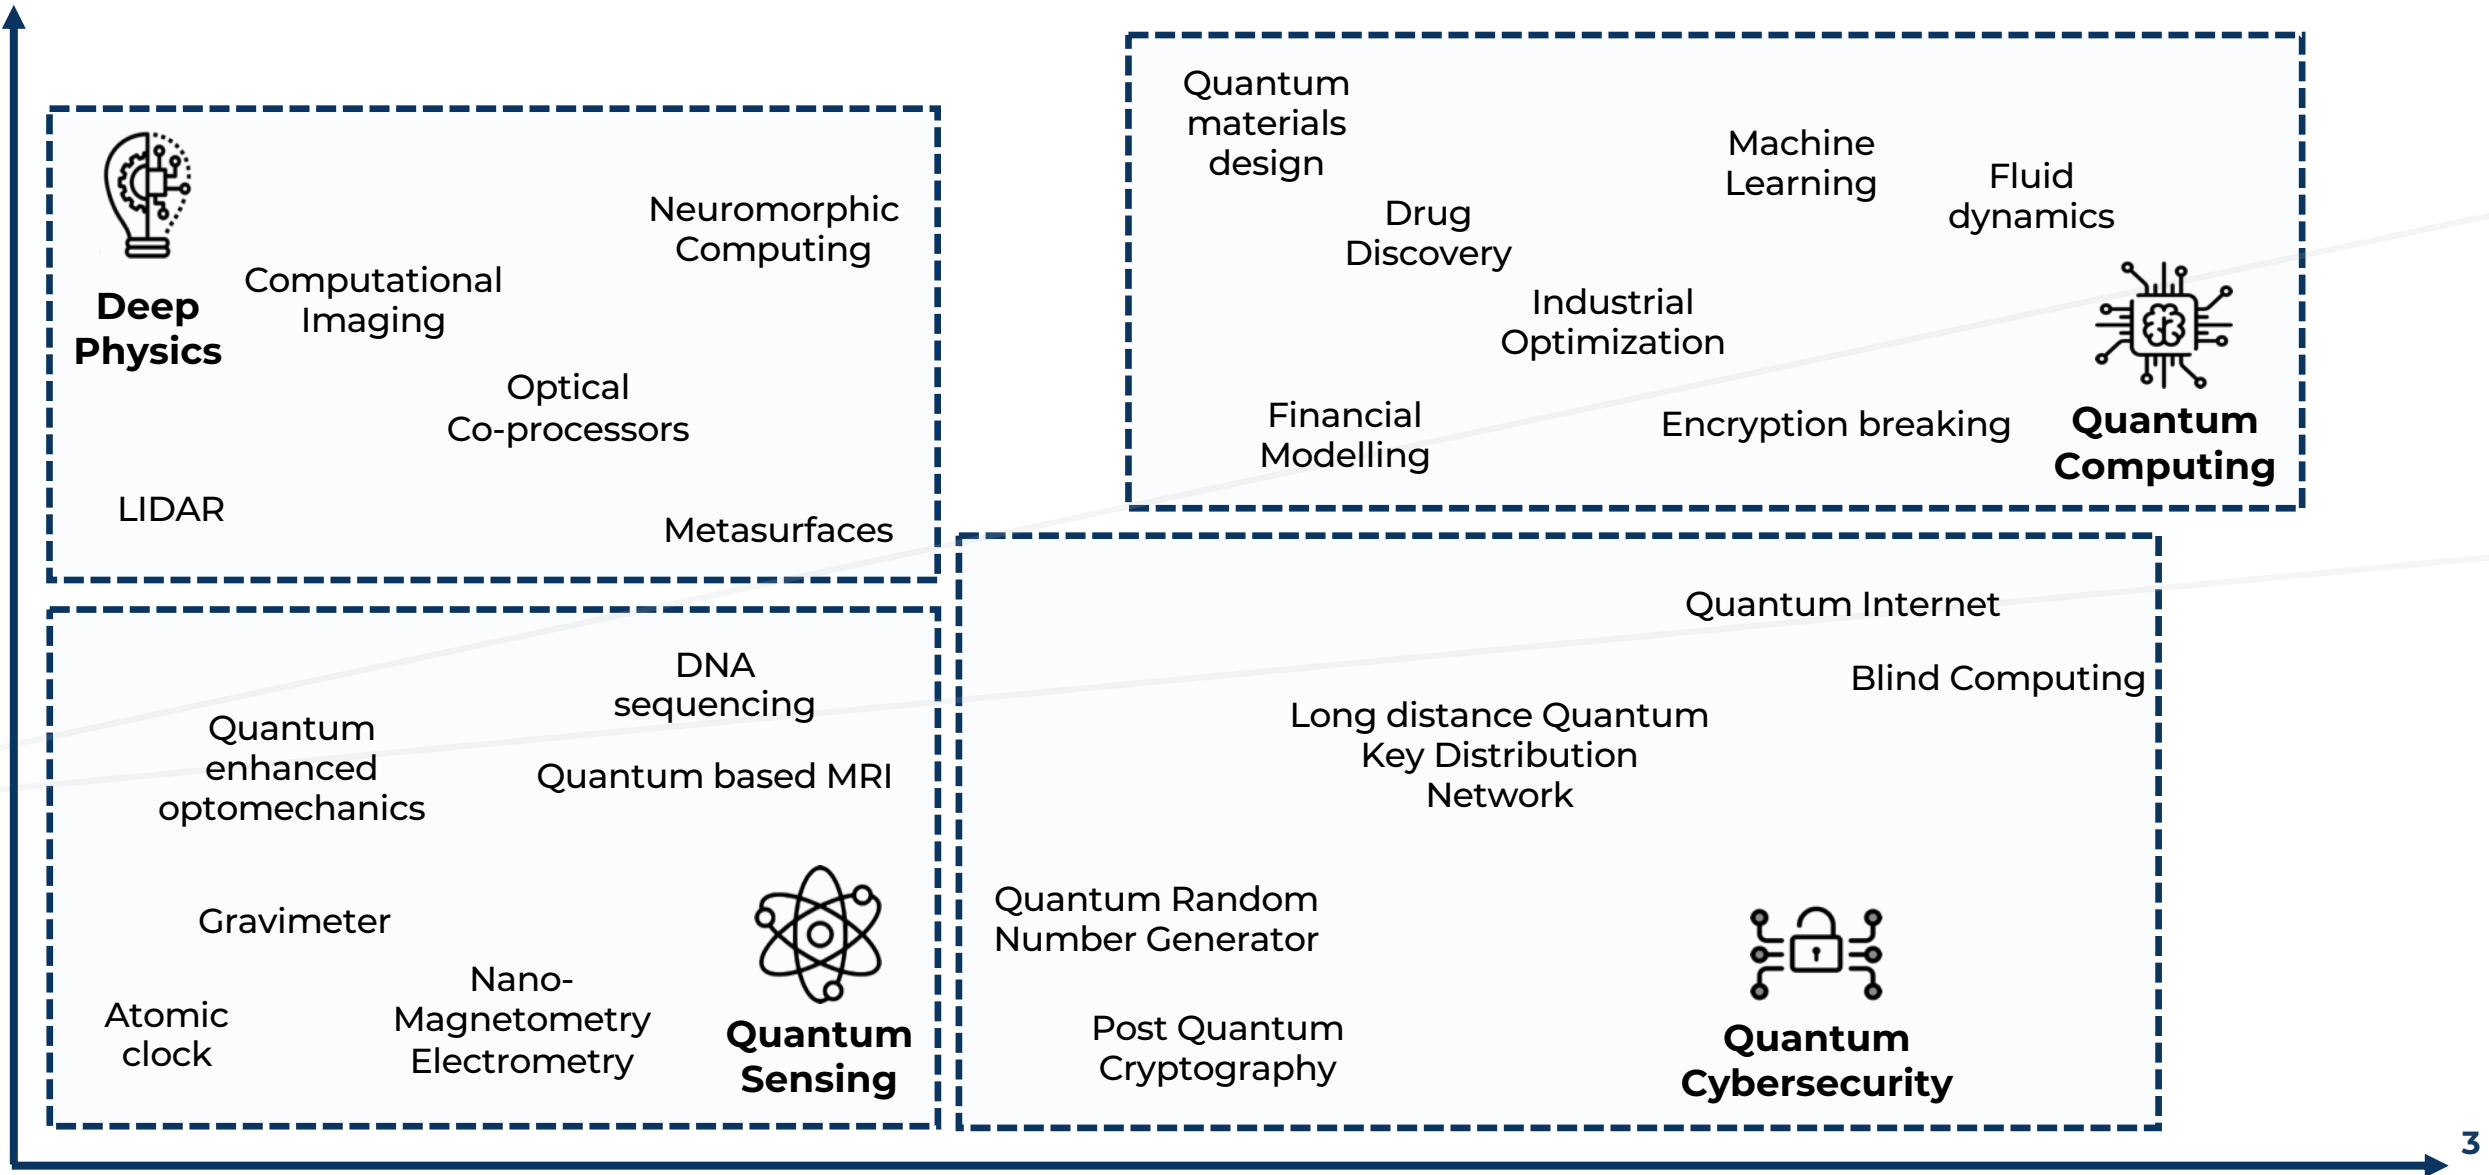

**Olivier Tonneau**

**Christophe Jurczak**

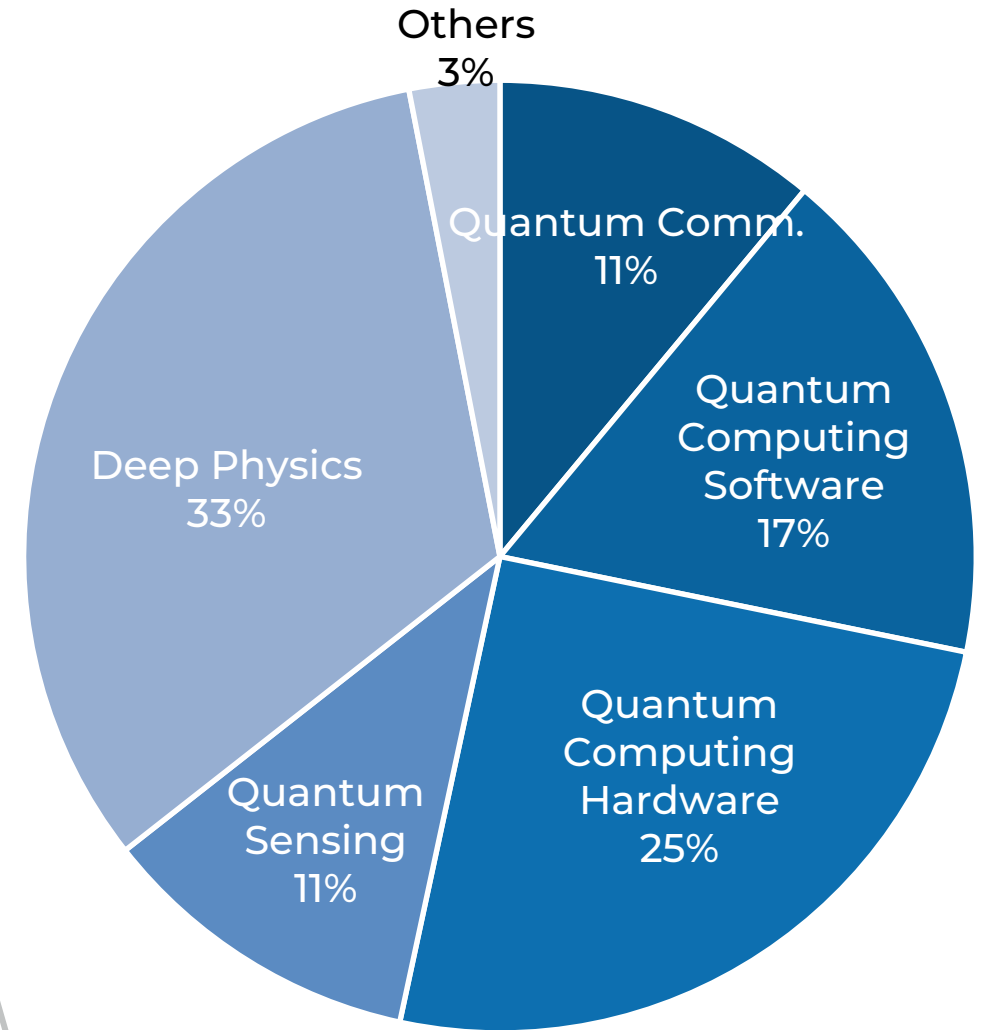

# 4 strategic sectors balancing short and long term

# Deal flow & Investments

>200 Companies monitored

>70 Co-investors identified

# What we do – “smart money”

## Machine Learning in the Quantum Era

Machine Learning unlocks the potential of emerging quantum computers
